N. B.-A WORD OF EXPLANATION to those who have known us under the style of Evans A Co. The business located by us at No. 677 Broadway, New York City, is the oldest established house in the country, and is known world-wide as the original "EVANS & CO,'S GIFT BOOK-STORE." LAMARTINE'S ALLEGED POVERTY The Paris correspondent of the London Star says:

"The City of Paris has just bestowed on Lamartine, with the consent of the Government, the house so long talked of at the Petite Muette, in the Bois du Boulogne. The house is delightfully situated, screened from the north wind, and shaded from the southern sun. M. Lamartine is still beggar enough to possess three estates in Burgundy-three patrimonial estates of goodly extent and rich pas ture-Saint Point, Monceaux and Milly .-Some verses of his in praise of poverty are dated from Saint Point, and others on his contempt of riches are written at Monceaux. By a curious circumstance, every complaint against his countrymen for allowing him to remain in that poverty he praises, and for not bestowing upon hisdeelining years those riches he so much despises, is written at Mil ly. Perhaps the air of the place must be good for the appetite—too, good, indeed and indices an unnatural craving."

To all who desire it he will send a copy of the prescrip tion used (free of charge,) with directions for pre-paring and using the same, which they will find a Sure Cute for Consumption, Asthma, Bronchites, de-The only object of the advertiser in sending the prescription is to benefit the afflicted, and he hopes every sufferer will try his remedy, as it will cost them nothing, and may prove a blessing.
